※The usage of the currently suspended unmanned gate system during off-hours of operation will continue to be suspended.

○Those who are found having poor physical condition such as fever, respiratory symptoms (cough , runny nose, sore throat, etc.), smell and taste abnormalities, headache, malaise and so on are not allowed into the library.

○Usage of Group practice rooms/ Group study rooms will be suspended.

○Usage of Learning Commons will only be allowed for self-study, group and research seminars are prohibited.

Moreover, when inside the Academic Information Center (University Library and Medical Library), please pay attention to the following rules and regulations.

- 1) Study while speaking in the facility is prohibited.
- 2) Some of the seats are not usable. Seats for the reading space are rearranged in order to prevent users sitting next to each other.
- 3) Please stay apart from each other while using the individual reading seat and learning commons. Please keep around 2 meters of social distancing from other users whenever possible.
- 4) To shorten the duration of stay in the facility, please use the library homepage to search for books before coming.
- 5) The librarians may open the doors and windows for air ventilation.

For those who are in good physical conditions, please take hygienic measures such as wearing a mask, washing and disinfecting hands regularly, prevent unnecessary long hours of stay, etc.

Details above may change according to the situation hereafter.

Please refer to the library homepage for the latest information.
